Step 2: Now goto cloud.ibm.com and login with your registered mail id along with coupon code obtained from ibm.com/academic

The image shows two screenshots of the IBM Cloud website. The top screenshot is the login page, titled "Log in to IBM Cloud". It features a "Sign in with" section where the user has selected "IBMId" and entered the email "19tuec133@skct.edu.in". A blue "Continue" button is visible. Below the email field, there is a "Forgot ID?" link and a "Remember ID" checkbox. The bottom screenshot shows the dashboard after login. The dashboard has a header with "IBM Cloud", a search bar, and navigation links like "Catalog", "Manage", and "Navaneeth S's Account". The main content area is titled "Dashboard" and includes a "For you" section with five cards: "Build", "Set up your IBM Cloud account", "Get Started with Watson Studio", "Build a web app with Watson Speech to Text", and "Create an OpenShift cluster". Each card provides a brief description and a "Getting started" button with a time estimate. At the bottom, there are sections for "User access", "News" (with a link to "All About IBM Storage's Price and Supply Guarantee"), and "Planned maintenance".
