

Setting up Application Environment

Create Sendgrid Account

Step 1. Navigate to <https://sendgrid.com>

Step 2. Click on “Start for free” and register yourselves by entering required

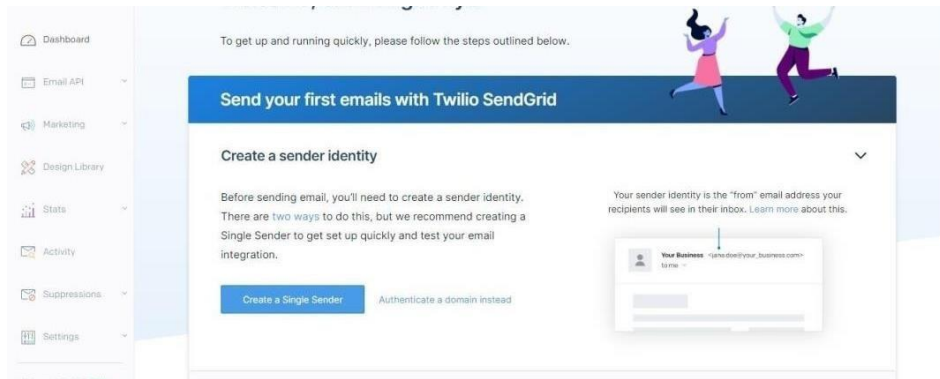

details and click on create account

The screenshot shows the 'Let's Get Started' registration form on the SendGrid website. The form is titled 'Let's Get Started' and includes the text 'Sign up for free. No credit card required.' The form fields include: 'Email Address' with the value '19tuec133@skct.edu.in', a checkbox 'Use email address as username' which is checked, and a 'Password' field with a strength indicator. Below the password field is a CAPTCHA challenge 'I'm not a robot' and a link to 'reCAPTCHA'. At the bottom of the form is a checkbox 'I accept the Terms of Service and have read the Privacy Notice' which is checked, and a blue 'Create Account' button. To the right of the form is a box titled 'Try it out!' with the text 'Send email for free.' and a list of features: 'Automated drip campaigns', 'Password resets', 'Newsletters', 'Receipts', 'Delivery notifications and updates', and 'Promoted emails'. A paper airplane icon is shown flying from the 'Try it out!' box towards the top right.

Step 3. Further fill all required details in next page and click on get started as shown below

Step 4. That's it you have created your SendGrid account and got access to dashboard

Output:

Send Grid account created successfully.
